Food Recall

Coca-Cola Zero Sugar - 375ml x 30 Pack

Date Marking: Best Before 9th May 2027, Timestamp: 01:00 – 05:00.
Batch Code: B2

Coca-Cola Europacific Partners Australia Pty Ltd is conducting a recall of Coca-Cola Classic cans sold in Zero Sugar Cartons. The products have been available for sale at Coles, Woolworths, Aldi and online in Queensland and Northern New South Wales.

Problem: The recall is due to a labelling error (Coca-Cola Zero Sugar was incorrectly filled into cans labelled Coca-Cola Classic and packed into Zero Sugar Cartons).

Food safety hazard: The recall is due to incorrect packaging. Product is Coca-Cola Zero Sugar and contains aspartame (phenylalanine).

What to do: Consumers sensitive to phenylalanine or avoiding no-sugar products should not drink this product. Consumers should return the product to the place of purchase for a full refund. Any consumers concerned about their health should seek medical advice.
