Hi all

Letter from FoE to Ministers attached.

Trevor – I understand you will coordinate responses to jurisdictions – in which case can you expedite something (I suggest less is more) for MPI please?

Thanks

Glen

Good afternoon Glen

The Minister for Food Safety has received a letter from Friends of the Earth (attached), and he has specifically asked for comment on the two areas highlighted in pink. We would appreciate FSANZ providing some words that we can advise the Minister. We would appreciate an early response please.

Regards
