No.	Name of Document	Date	Pages	Description	In Scope	Third Party?	Exemptions / Redactions	Release
1.	FOE on nano in baby formula	18 May 2016	2	Email exchange – internal and with Infant Nutrition Council	Yes Category 1	Yes	S22 – irrelevant and out of scope material (eg, third party personal information)	Partial
2.	FOE on nano in baby formula	19 May 2016	2	Email exchange – internal and with Infant Nutrition Council	Yes Category 1	Yes	S22 – irrelevant and out of scope material (eg, third party personal information)	Partial
3.	RE FoE on nano in baby formula	19 May 2016	3	Email exchange - Internal and with Infant Nutrition Council	Yes Category 1	Yes	S22 – irrelevant and out of scope material (eg, third party personal information)	Partial
4.	Re: FOE on nano in infant formula	19 May 2016	3	Email exchange –internal and with Infant nutrition council	Yes Category 1	Yes	S22 – irrelevant and out of scope material (eg, third party personal information)	Partial
5.	Re FOE on nano in baby formula	19 May 2017	3	Email exchange – internal	Yes Category 2		S22 – irrelevant material	Partial
6.	Re: FoE on nano in baby formula	19 May 2016	1	Email exchange - internal	Yes Category 2		S22 – irrelevant material redacted	Partial
7.	FOE on nano in IF update	19 May 2016	1	Email exchange – internal	Yes Category 2		No exemptions or redactions	Full
8.	Re: FoE on nano in IF – update	19 May 2016	1	Email exchange – internal Content includes third party personal information - Infant Nutrition Council	Yes Category 2	Yes	S22 – irrelevant and out of scope material (eg, third party personal information)	Partial

No.	Name of Document	Date	Pages	Description	In Scope	Third Party?	Exemptions / Redactions	Release
9.	Nanoparticles in baby formula	19 May 2016	2	Email from private individual ('do good' campaign email) Document is not correspondence with infant formula company. Document is not internal communication (email, letter, brief, minute etc) in relation to how to response to presence of nanoparticles in infant formula.	No	N/a	N/a as out of scope	No
10.	Re FoE on naon in IF - update	19 May 2016	2	Email exchange – internal Content includes third party personal information - Infant Nutrition Council.	Yes Category 2	Yes	S22 – irrelevant and out of scope material (eg, third party personal information)	Partial
11.	RE Nano in infant formula response	19 May 2016	1	Email exchange – internal Content includes third party personal information - Infant Nutrition Council	Yes Category 2		S22 – irrelevant material redacted	Partial
12.	FW: Nanoparticles in baby formula	20 May 2016	11	Email exchange – internal and external. Request for preparation of ministerial briefing in response to do goo campaign letter (see Document 9). 8 page attachment. Document is not correspondence with infant formula company Document is not internal communication (email, letter, brief, minute etc) in relation to how to response to presence of nanoparticles in infant formula.	No	N/a	N/a as out of scope	No
