Subject: irradiation of foods

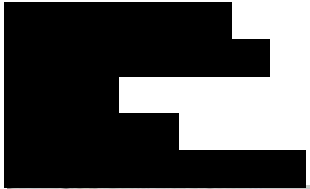

Please ensure labelling of all irradiated foods clearly on all packaging so that consumers are able to decide well on what to buy.

I would prefer no irradiated foods to enter the market, however **clear** labelling will help me not to buy them. It would be good to have it clearly marked on the front of packaging as well- simply IRRADIATED FOOD would suffice in my opinion.

Thanking you

Ineke de Graaf

Hebrews 6.19-20 *We have this hope as an anchor for the soul, firm and secure. It enters the inner sanctuary behind the curtain, where our forerunner, Jesus, has entered on our behalf.*
