
Safe Food Australia

'...Food safety. It is an issue that concerns us all, whether we are food producers, government regulators, public health professionals or consumers. Australia has an enviable record for food safety.'...

Graham Peachey, Chief Executive Officer, Food Standards Australia New Zealand

And you need to know about it.

Food Safety Standards are now available as hard copy reference publications – with companion User Guides. The guide has been designed to make it easier for businesses to achieve safe food practices and to further reinforce consumer confidence in the Australian food supply.
