

## NUTTAB 2010 Reference List

Anonymous. (2005) A Good Spread. Choice: January/February

Arcot, J. (1999) Research report on the nutrient analysis of selected Lean Cuisine products and Japanese restaurant foods. Report submitted to Australian New Zealand Food Authority.

Arcot, J. (2006) Nutrient analysis of Selected Sauces, Bush Foods and Snack Bars. Report submitted to Food Standards Australia New Zealand.

Ashton, J.F. (2003) The Chromium content of some Australian foods. *Food Australia* 55(5):201-204.

Athar, N., McLaughlin, J. and Taylor, G. (2003) The concise New Zealand Food Composition Tables. 6th edition. Palmerston North: New Zealand Institute for Crop and Food Research.

Australia New Zealand Food Authority. (1994) The Australian Market Basket Survey, Canberra, Australian New Zealand Food Authority.

Australia New Zealand Food Authority. (1996) The Australian Market Basket Survey, Canberra, Australian New Zealand Food Authority.

Australia New Zealand Food Authority. (2001) The 19th Australian Total Diet Study, Canberra, Australian New Zealand Food Authority.

Australian Dairy Corporation. (1991) Proximate composition of Australian Dairy Foods. Melbourne: Australian Dairy Corporation.

Australian Dairy Corporation. (1999) Proximate composition of Australian Dairy Foods. Melbourne: Australian Dairy Corporation.

Australian Government Analytical Laboratory, Victoria. (1997) Folate Food Composition Analytical Program. Commissioned laboratory report to National Food Authority.

Australian Government Analytical Laboratory, Victoria. (2000) Food Composition Analytical Program. Stage 1 - Fish and Eggs. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2000) Food Composition Analytical Program. Stage 2 - Cereals and other baked goods. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2000) Food Composition Analytical Program. Stage 3 - Fruit, Vegetables and Nuts. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2000) Food Composition Analytical Program. Stage 4 - Summer Fruit. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2000) Food Composition Analytical Program. Vitamin D & Iodine analysis. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2002) Food Composition Analytical Program. Reanalysis of Proximates and Minerals in Fruit and Vegetables. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2002) Food Composition Analytical Program. Stage 1 - Instant and Simmer Soup Powders. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory, Victoria. (2002) Food Composition Analytical Program. Stage 2 - Instant and Simmer Soup Powders. Commissioned laboratory report to Australia New Zealand Food Authority.

Australian Government Analytical Laboratory. (1986) Analysis of breads - starch and sugars. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1986) Analysis of fish and their products. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1987) Analysis of biscuits. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1987) Analysis of cereal products and canned milk. Unpublished, commissioned laboratory report to Department Services and Health.

Australian Government Analytical Laboratory. (1988) Analysis of breads and sweet products. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1988) Analysis of cakes. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1988) Analysis of fresh beef. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1988) Analysis of savoury biscuits. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1988) Analysis of sweet biscuits. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1989) Analysis of dairy products. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1989) Analysis of eggs. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1989) Analysis of fresh fish. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1989) Analysis of processed meats. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of alcoholic beverages. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of Confectionery. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of fats and oils. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of legumes, nuts and seeds. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of Miscellaneous foods. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of non- alcoholic beverages. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of processed fruit and vegetables. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of soups and sauces. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1990) Analysis of sugar products. Unpublished, commissioned laboratory report to Department of Community Services and Health.

Australian Government Analytical Laboratory. (1991) Analysis of Breakfast Cereals. Unpublished, commissioned laboratory report to National Food Authority.

Australian Government Analytical Laboratory. (1991) Analysis of fibre and moisture in UNSW ethnic foods samples. Unpublished report to Department of Health.

Australian Government Analytical Laboratory. (1992) Analysis of Poultry and Rabbit. Unpublished, commissioned laboratory report to National Food Authority.

Australian Government Analytical Laboratory. (1992) Trim Lamb Project. Commissioned report to National Food Authority.

Australian Government Analytical Laboratory. (1996) Analysis of cereals and cereal products. Unpublished, commissioned report to National Food Authority.

Australian Government Analytical Laboratory. (1997) Nutritional analysis of foods program. Unpublished, commissioned report to National Food Authority.

Australian Government Analytical Laboratory. (1999) Burger King Program. Commissioned report to Australia New Zealand Food Authority.

Barnes, J.A., Lewis, J.L. and Buick D.R. (1994) Report on the nutritional analysis of Australian Pork. Australian Government Analytical Laboratories.

Barnes, J.A., Lewis, J.L. and Buick, D. R. (1996) Composition of New Fashioned Pork 1994. *Food Australia* 48(2):S1-S15.

Beilken, S. and Tume, R. (2008) Nutritional Composition of Kangaroo Meat: Fat content and lipid composition. Rural Industries Research and Development Corporation.

Beilken, S., Eustace, I., Tume, R. (2007) Composition of New Meats: Analysis and Nutrient Composition of Innovative Meat Industries. Rural Industries Research and Development Corporation.

Bourke, G. (1987) The Thiamin, Riboflavin, Niacin and Vitamin C Content of Some Selected Chinese Foods. Unpublished BSc thesis, University of New South Wales.

Brand Miller, J., James, K.W. and Maggiore, P. (1993) Tables of Composition of Australian Aboriginal Foods. Canberra: Aboriginal Studies Press.

Bread Research Institute of Australia Ltd. (1987) Analysis of Breads. Unpublished laboratory report.

Brisbane City Council website. (2008) Available at [www.brisbane.qld.gov.au/BCC:BRISWATER:2066157697:pc=PC\\_1397](http://www.brisbane.qld.gov.au/BCC:BRISWATER:2066157697:pc=PC_1397)

Brown, A.J., Chirikoff, V. and Roberts, D.C.K. (1987) Fatty Acid Composition of Seeds from the Australian Acacia Species. *Lipids* 22 (7).

Canned Food Information Service. (1988) Residual nutritional value study of canned fruit and vegetables. Unpublished, laboratory report.

Catalano, I. (1996) The nutrient composition of soyamilk and soyamilk products. University of New South Wales. Thesis submitted for the degree of Bachelor of Science (Food Technology).

Chan, L. (1996) The nutrient composition of selected coconut products. University of New South Wales. Thesis submitted for the degree of Bachelor of Science (Food Technology).

Cheung, A. (1991) The Nutrient Composition of Oriental Sauces. Unpublished BSc thesis, University of New South Wales.

Cobiac, L., Droulez, V., Leppard, P. and Lewis, J. (2003) Use of external fat width to describe beef and lamb cuts in food composition tables. *Journal of Food Composition and Analysis* 16(2):133-145.

Colyer, C.G.B, Pratap S.W. and Arcot, J. (1997) Nutrient composition of Indian restaurant foods. *Food Australia* 49(3):124-128.

Droulez, V., Williams, P., Levy, G., Stobaus, T., and Sinclair, A.J. (2006) Composition of Australian red meat 2002. 2. Fatty acid profile. *Food Australia* 58(7):335-341.

Food Standards Agency. (2002) McCance and Widdowsons The Composition of Foods, 6th Summary Edition. Cambridge: Royal Society of Chemistry.

Food Standards Australia New Zealand. (2003) The 20th Australian Total Diet Study, Canberra, Food Standards Australian New Zealand.

Food Standards Australia New Zealand. (2004) The 22nd Australian Total Diet Study, Canberra, Food Standards Australian New Zealand.

Food Standards Australia New Zealand. (2005) Report on a survey of chemical residues in domestic and imported aquacultured fish. Unpublished.

Food Standards Australia New Zealand. (2007) The 23rd Australian Total Diet Study, Canberra, Food Standards Australian New Zealand (provisional report).

Fox, M., Rayner, C. and Wu, P. (1988) Amino acid composition of Australian foods. *Food Technology in Australia* 40:320-323.

Goodman Fielder. (2005) Personal communication.

Greenfield, H & Barnes, J., (2007) Australian Pork Limited Pork Nutritional Study 2006. Confidential Report to APL Board.
