Submission re Primary Production and processing Requirements for Raw milk products (Australia Only) Proposal P1007 Discussion Paper.

My name is Vonnie McDonald.

My address is 37 Lester Street, Eaglehawk, Victoria 3556.

I am using a friend's e-mail to send this.

I enthusiastically support the campaign to have certified raw dairy products available in Australia. When I was growing up we always had milk and cream from our own house cows. Now I am rearing my own family, and I have read that enzymes and other important factors in milk are destroyed by heating. I would like to be able to obtain milk like I had as a child for my children.

Yours truly      Vonnie McDonald.
