SUBMISSION - PROPOSAL P1007: Primary Production and Processing Requirements for Raw Milk Products

I would like to comment that I am strongly in favour of healthy raw milk and raw cheese being freely available to all in Australia. I have been a consumer of raw milk products for most of my life, am very healthy and have first hand knowledge of many people who have developed allergies and other health problems after consuming pasteurised, homogenised milk. When converting to raw milk, these problems have invariably disappeared.

My name is Mike Shipley of 4 Malcolm Street, Mt Clarence WA 6330, phone 08 9847 4362 and my email is [shipleysorganics@bigpond.com](mailto:shipleysorganics@bigpond.com)

Kind regards

Mike Shipley
