Subject: Submission for proposal P1007: Primary Production & Processing Requirements For Raw Milk Products.
Follow Up Flag: Follow up
Flag Status: Blue

Dear Sirs,

For thousands of years people all over the globe had been drinking raw milk, and for reasons of health and vitality I think raw milk should be available for public consumption in Australia.

I also believe FSANZ should develop a Raw Milk Certification process to provide safe raw milk and raw milk products.

Yours faithfully

Pamela
