**Follow Up Flag:** Follow up  
**Flag Status:** Blue

To whom it may concern,

As a consumer I believe it is my right to be able to have the choice of purchasing raw or "treated" milk and milk products. I strongly support the proposal of having raw milk and milk products available for consumption by Australian consumers. We should be able to make this educated decision on the products we buy and consume on our own not have this decision made for us.

Thank you.

Amanda Fincham
