Subject: RE: Invitation to Attend FSANZ Consumer & Public Health Dialogue
Attachments: Media Release - Changing of the guard at Friends of Science in Medicine - Final.pdf

Dear s22,

Thanks for the invitation, I'm happy to accept.

I'll provide both a public health perspective and a Friends of Science in Medicine perspective (attached).

Subject: Invitation to Attend FSANZ Consumer & Public Health Dialogue

Good afternoon Ken

Just following up regarding my earlier phone call.

I was contacting you on behalf of Food Standards Australia New Zealand (FSANZ) to invite you to attend our next Consumer and Public Health Dialogue (CPHD) meeting as a guest speaker. At the last CPHD meeting in November 2018, members briefly discussed the vexed issue of decision making at the food-medicine interface. It was agreed that this would be further explored at our March meeting. One of our members, s22, also suggested we extend an invite to you to present, given your keen interest in the promotion and appropriate regulation of therapeutic goods.

The next meeting has been scheduled for **Wednesday 27 March** and will be held at our Canberra office.

Background:

The CPHD is a consultative forum, which aims to build stronger relationships between consumer and public health groups and FSANZ. The CPHD is made up of representatives from peak consumer and public health bodies, public health academics and indigenous representatives from both countries. It meets biannually in Canberra (with a video link-up to our Wellington office). The dialogue's terms of reference are attached for your information.

Travel Costs

FSANZ will cover your travel costs and we would be pleased if you would join us for lunch.

The agenda is still being drafted however we are looking at allocating an hour session (including discussion/questions) from 12.00pm to 1.00pm, at which time we will break for lunch (which you are more than welcome to join us for). It would be appreciated if you could please confirm your availability as soon as possible so we can finalise the agenda and our administrative team can arrange travel etc.

If you require any additional information and/or clarification please do not hesitate to contact me.

Kind regards

s22
