GOVERNMENT-IN-CONFIDENCE

Dear Network Officers and FSANZ Incident Response Team,

Please be advised of the following updates as of Friday 22 March 2019:

Update to the FSANZ webpage

- Following comments from network members, i.e. on the public queries being received (regarding advice for identifying recalled eggs if packaging has already been discarded), and some additional food safety advice for salmonella, has been added to the FSANZ webpage [here](#).
