The recalled products have been available for sale in Coles, Woolworths, IGA and other retailers across Victoria, as well as three Coles stores in Southern New South Wales (Deniliquin, Lavington and Albury), and a small number of petrol and convenience stores in the Murray, Riverina and Western districts of NSW.

Problem: Lactalis Australia believes the above products may contain an amount of food grade dairy cleaning solution. The milk products may have a yellowish colouring and/or metallic chemical taste.

Food Safety Hazard: This is a food safety issue and anyone concerned about their health should seek medical advice.

What to do: Consumers with the affected products should return it the place of purchase for a full refund.

Contact details: We encourage any consumers with questions about the recall to get in touch with our consumer service team on 1800 676 961.
