Compliance index

FSANZ is a corporate Commonwealth entity (previously known as Commonwealth authorities and companies under the *Commonwealth Authorities and Companies Act 1997*). Under the Public Governance Performance and Accountability (Consequential and Transitional Provisions) Rule, application of the Commonwealth Authorities (Annual Reporting) Orders 2011 continues to apply to annual reports for these entities for the 2014–15 reporting period.

The checklist below summarises FSANZ’s compliance with essential reporting requirements in this annual report.
