GLOBAL FOODS GROUP PTY LTD are conducting a recall of the above products. The products have been available for sale in Woolworths, Coles, IGA and other independent grocery stores nationally and online.

---

**Problem:** Potential microbial (*Listeria monocytogenes*) contamination.

---

**Food safety hazard:** *Listeria monocytogenes* may cause severe illness in pregnant women, unborn babies, neonates, the elderly, and immunocompromised individuals. The general population can also become ill from consuming food contaminated with *Listeria monocytogenes*.

---

**What to do:** Consumers should not eat this product. Consumers should return the product(s) to the place of purchase for a full refund. Any consumers concerned about their health should seek medical advice.
