ALDI Stores are conducting a recall of the above products. The products have been available for sale in ALDI Stores in NSW, ACT, VIC, QLD, SA and WA.

Problem: The recall is due to potential microbial (*Listeria monocytogenes*) contamination.

Food safety hazard: *Listeria monocytogenes* may cause severe illness in pregnant women, unborn babies, neonates, the elderly, and individuals who are immunocompromised. The general population can also become ill from consuming food contaminated with *Listeria monocytogenes*.

What to do: Consumers should not eat these products. Consumers should return the products to the place of purchase for a full refund. Any consumers concerned about their health should seek medical advice.
