Gotzinger Smallgoods are conducting a recall of the above products. The products may have been available for sale in retail outlets and butcher shops in NSW and QLD

Problem: Microbial [*listeria monocytogenes*] contamination.

Food safety hazard: *Listeria monocytogenes* may cause severe illness in pregnant women, unborn babies, neonates, the elderly, and immunocompromised individuals. The general population can also become ill from consuming food contaminated with *Listeria monocytogenes*.

What to do: Consumers should not eat this product. Consumers should return the products to the place of purchase for a full refund. Any consumers concerned about their health should seek medical advice.
