1. Introduction

Food Standards Australia New Zealand (FSANZ) (the Authority) is a statutory authority within the Australian Government Health portfolio, established by an Act of the Australian Parliament – the Food Standards Australia New Zealand Act 1991 (FSANZ Act).

Section 115 provides the affairs of the Authority are to be conducted by a Board to be known as the Board of Food Standards Australia New Zealand. The Authority's primary purpose is to develop draft food standards for Australia and New Zealand, in accordance with the FSANZ Act.

2. Purpose

The purpose of this Charter is to detail the role, responsibilities, composition and duties of the FSANZ Board in addition to providing guidance to Board members to ensure the effective operation and accountability of the Board as the Authority.¹

The Charter, read in conjunction with the Board Governance Manual, serves as the overarching policy document to govern the FSANZ Board.

3. Authority & scope

The FSANZ Act sets out the object, functions and powers of the Authority.² The Charter is derived from the FSANZ Act by the Board.

The functions, operations and governance of the Authority are also subject to the requirements set out by the *Public Governance, Performance and Accountability Act 2013* (PGPA Act) and the *Public Governance, Performance and Accountability Rule 2014* (PGPA Rule) in addition to other governing legislation. The Board members collectively are the 'Accountable Authority' of the Authority (see section 12 of the PGPA Act).

The PGPA Act regulates the governance arrangements for Corporate Commonwealth Entities such as FSANZ, and establishes planning, performance and accountability requirements. Board members are deemed 'officials' for the purposes of the PGPA Act.³

Annexure 1 sets out the Board's functions and powers in accordance with the FSANZ Act.

4. Delegations of authority

The Board has delegated authority under the FSANZ Act. It may delegate to a member of the Board, or to a senior member of the staff of the Authority, all or any of its powers under this Act, other than its powers to act on behalf of the Authority in accordance with the requirements of section 150 of the FSANZ Act. The FSANZ Board Delegation 2024 Instrument sets out the specific requirements for the delegation of powers derived from the FSANZ Act.

8.1 Code of Conduct & interaction with Authority staff

As statutory office holders, Board members are bound by the APS Code of Conduct only to the extent they are assisted by, or deal with, APS employees in a supervisory capacity or other capacity related to the Board members' day-to-day working relationship with APS employees. APS employees are governed by the PS Act which requires them to adhere (as a matter of law) to principles including:

- honesty and integrity;
- equitable service to the public;
- provision of frank and comprehensive advice;
- a strong emphasis on responsiveness to the government, the Parliament and the community;
- party-political impartiality
- staffing based on merit.

Without limitation to Board members legal obligations applicable to their conduct as a Board member, Board members must:

- behave in a manner that is consistent with the standards required of FSANZ employees under the APS Code of Conduct; and
- comply with all FSANZ policies and procedures specified as applicable to Board members.

8.2 Conflicts of interest

FSANZ Board members are subject to a number of legislative provisions relating to conflicts of interest. These include:

- FSANZ Act;
- the PGPA Act and the PGPA Rule; and
- the Public Service Act 1999 and Public Service Regulations in limited circumstances.

Section 125 of the FSANZ Act and section 29 of the PGPA Act prescribe the requirements for the disclosure of material personal interests for FSANZ Board members and the requirement to publish a [register of interests](#) on FSANZ's website.

In addition, FSANZ Board members are also subject to conflict of interest obligations that arise from their fiduciary duties to FSANZ.

Board members must disclose material personal interests, perceived and potential conflicts as soon as the relevant facts have come to light.

The Board as a whole has responsibility to manage disclosures in accordance with the Authority's Management of Conflicts of Interest Policy for FSANZ Board members.

A Board member who has a material personal interest in a matter being considered or about to be considered by the Board outside of a formal meeting under section 124 of the FSANZ Act must, as soon as practicable after becoming aware of the relevant facts, disclose the nature of that interest to the Minister.

Maintaining trust and confidence in decision-makers is critical and the Board takes a very conservative and transparent approach to managing conflicts of interest. Board members must take all reasonable steps to avoid material personal interests and, in the spirit of the Board's pro-disclosure culture, should disclose all conflicts of interest, including potential or perceived conflicts.

The Minister may terminate the appointment of a Board member who fails to comply with disclosure obligations without reasonable excuse.

8.3 Gifts and benefits

The receipt of a gift or benefit may result in an actual or perceived conflict of interest, or be seen as a benefit gained through duties, status, power or authority.

Board members must declare the receipt of any gifts and benefits in accordance with the requirements of the FSANZ Gifts and Benefits [Policy](#) and their duties derived from the PGPA Act.

All declared items will be recorded in the master Gifts and Benefits Register and gifts or benefits received with a value of \$100 or more will be published on the FSANZ website in accordance with the Australian Public Service Commission (APSC) guidance material.

8.4 Confidentiality

All Board meeting material including gendas, meeting papers and minutes for are marked with the information security classification “OFFICIAL” (unless a higher information security classification is applicable).

Board papers and discussions at Board meetings are confidential. Board members are not authorised to disclose any confidential information that they receive in their capacity as Board members to third parties except with the prior consent of the Board, Chair or CEO.

Board members are responsible for preventing unauthorised access of all confidential information in their possession. Board members must notify the Chair if they believe confidential information has been accessed by any unauthorised person.

8.5 Communications with third parties

To ensure the effective operation of the Board, Board members must foster a collective working relationship based on trust and openness. Protocols for communication amongst Board members, between the Board and management, and between the Board and stakeholders, are agreed and reviewed from time to time.

The Chair is the spokesperson for the Board and the CEO is the spokesperson for FSANZ. Other Board Members should not comment to third parties about FSANZ’s strategy, operations or views on particular issues without the prior consent of the Chair.

The Chair is the principal representative for communication between FSANZ, the Minister and the Finance Minister, by means of both written reports and face-to-face meetings. The Chair keeps the Board informed of responses received from Ministers and of any meetings.

From time to time, there will be contact from stakeholders with individual Board members. Board members must inform the Chair and CEO of the content of all such contact. The Chair, likewise, will keep Board members informed of contacts. Where a Board response is required to a contact from an individual stakeholder, it will be provided from the Chair or, if appropriate, be delegated to management for response.

8.6 Board culture

The Board ensures a strong corporate culture at FSANZ by promoting respectful, open communication between Board members and management. It also encourages information sharing and publishing in line with Australian Government agency standards.

8.7 Additional information & independent advice

Board members are entitled to request and receive such additional information as they consider necessary to support informed decision making. Any Board member has the authority to seek any information required and the Authority must comply with such requests. All requests for information, and responses to requests, must be communicated through the Chair to the CEO. Board members should not contact staff

directly unless that contact is approved by the Chair and CEO.

A member is entitled to seek independent professional advice (including but not limited to legal, accounting and financial advice) at the Authority's expense on any matter connected with the discharge of his or her responsibilities, with the prior written approval of the Chair. If approved by the Chair, the CEO will facilitate the obtaining of the advice and its communication to all Board members.

9. Non-Executive Board member support

9.1 Induction and ongoing Training

New Board members will be offered a formal induction program. The content of the program is determined by the Chair and the CEO, and the program is co-ordinated by the Board Secretariat. Each induction program is tailored to suit the skills, knowledge and experience of the member and any specific knowledge they require to enable them to discharge their responsibilities effectively and add value.

9.2 Professional development

Board members will have the opportunity to undertake professional development training and will periodically review when this may be required in order for them to maintain the skills and knowledge needed to perform their roles effectively. The Board will regularly assess whether the Board members as a group have the skills, knowledge and experience to deal with new and emerging business and governance issues.

9.3 Travel and accommodation

The travel and accommodation entitlements of Board members (including class of travel) are determined by the Remuneration Tribunal.

9.4 Indemnities and insurance

FSANZ maintains an insurance policy through Comcover providing Directors and Officials (subject to the conditions, exclusions and limits on the policy) insurance for public liability, professional indemnity, directors and officers liability, property, international travel and personal accidents.

The Board will review its performance, and the performance of each of the Board Committees, from time to time as it deems appropriate, but in any event no less than biennially. The form of any such review will be at the discretion of the Chairperson but, at a minimum, will involve the members conducting a self-assessment of their performance against the Charter.
