Item 4.2 **New plant breeding technologies**

Paper provided. FSANZ (Dr Lisa Kelly) summarised the key points, developments, regulatory uncertainty, possible applications and workshops with jurisdictions on new plant breeding techniques.

FSANZ sought feedback on the benefit of holding a workshop, nominations for attendance and timing for the workshop. There was unanimous support for the workshop to go ahead with pre-consultation for New Zealand. There was also support for the Office of the Gene Technology Regulator to be invited to the workshop.

Action arising

- **FSANZ to organise a jurisdictional workshop to consider new plant breeding technologies, with invitations to be sent to JPF members.**
