**Subject:** Jurisdictional Policy Forum - 28 June 2016

Dear JPF Members,

This is a follow-up email inviting nominations from jurisdictions for individuals to attend the proposed workshop on new breeding techniques agreed at JPF2 on 28 June.

In terms of timing, we have two suggestions:

Option 1: Wednesday (morning) 17 August, to be held in Canberra to coincide with the FSANZ Anniversary celebrations

Option 2: Wednesday 24 August

If Option 2 is preferred in terms of timing, we would be interested to receive feedback on whether Melbourne, rather than Canberra, would be preferred as a location for the workshop.

**Could you please respond with names and your preferred date (including location preference) by 8 July to lisa.kelly@foodstandards.gov.au** S22

Thank you.
