Here we go again. This is not really a submission as it will not make any difference, my previous ones didn't. I will absolutely guarantee that you will let it in whatever submissions you get. I have set up a website headed Help Declare NZ GE/Gm Free. [www.Declare](http://www.DeclareNZ.com) NZ Ge-gm Free. Would all your employees like to sign the petition and send a letter to the prime minister. It would be very helpful to the country and future generations. As I mentioned before I do not eat corn. Yours sincerely .hugh Halliday.
