

In support of an application made to amend Standard 1.3.3. Processing Aids, section 17 of the Australia New Zealand Food Standards Code by the addition of amylomaltase (EC 2.4.1.25) produced by *Bacillus amyloliquefaciens* expressing the *Thermus thermophilus* amylomaltase gene, I declare that:

The applicant will derive a financial gain from the coming into effect of the draft standard or draft variation of the standard that would be prepared in relation to the application;

And

Any other unrelated persons or bodies, including unrelated commercial entities would not require the applicant's agreement to benefit financially from the approval of the application.

I am an authorized person representing the body making the application.
