Dear Sir/Madam

Application A1063 – Food derived from Herbicide-tolerant Soybean MON87708 – Assessment Report

Thank you for the opportunity to comment on this application. The Ministry of Agriculture and Forestry (MAF) has reviewed the Assessment Report. MAF agrees with the FSANZ preferred approach, which is to approve food derived from herbicide-tolerant soybean line MON87708, as no public health and safety concerns are identified in the safety assessment report.

Yours sincerely
