Please help stop FSANZ irradiating our loved blueberries and raspberries

 [Joan Sarenas](#) Australia

**Urgent call:** *We have until the 10th August 2016 to stop FSANZ from permitting irradiation of our superfoods of blueberries and raspberries.*

These two major Superfoods are renowned all over the world as a healer of the human body and mind with numerous health benefits. The chances of a reduction or complete loss in the antioxidants, anthocyanins and pterostilbene are very high with irradiation.
