Dear Sir/Madam

Application A1118 Food Derived from Herbicide-tolerant Corn Line MON87419

Thank you for the opportunity to comment on this application. The Ministry for Primary Industries (MPI) has the following comments to make.

MPI supports option 1, that is to prepare a draft variation to Schedule 26 to the Food Standards Code. MPI agrees that food derived from herbicide-tolerant Corn Line MON87419 is considered to be as safe for human consumption as food derived from conventional corn cultivars.

Yours sincerely
