Project Officer Application A1144
Food Standards Australia New Zealand
PO Box 10559
The Terrace
WELLINGTON 6036

Dear Sir/Madam

Application A1144 Re-categorising coconut milk for food additive permissions- Call for submissions

Thank you for the opportunity to comment on this application. The Ministry for Primary Industries (MPI) has the following comments to make.

MPI supports the proposed draft amendments to correctly place coconut milk products under processed fruit products rather than under beverages in Schedule 15 of the Food Standards Code. We support making these provisions more consistent with Codex Standards.

Yours sincerely
