Subject:

Dear Sirs,

What else can we have thrown at us ? Irradiating fruit and vegetables ? For God's sake leave them alone. I would grow my own if I had the land and the weather on my side.

We are going to be forced to get vaccinated and now not even given the right ,if this goes ahead, to buy nutritious unadulterated food.

Stop this silly nonsense NOW.

Sincerely and very angry,

[REDACTED]
