Re: Schedule S20: MRLs – Consequential & Corrective Amendments

FTA Australia has reviewed this [Proposal](#) and endorses the following comments of the Technical Sub Committee:

The Committee reviewed this document and agreed that Schedule S20 should be amended as per the proposed changes and suggest the following:

- That a footnote be added to each page of Schedule S20 that is identical or contains the same information as in subsection S20-2, so as to clarify the meaning of the symbols “T” and “*” and thus ease the use of this multi- paged Schedule by stakeholders.

If there are any queries regarding this submission, please contact the Technical Secretary,
