Hello,

With regards to the new pregnancy label to be put on wine bottles, we at Mazurans Vineyards would reject this as a huge extra cost to produce labels.

Our market place is mainly New Zealand and we find that you are not supporting the New Zealand wine industry here, set up by our founder George Mazuran OBE, JP.

Any further information please respond here.

Thank you,

Antony Hladilo  
Director  
Mazurans Vineyards Ltd
